Dear Sean & Dana;

On behalf of Montgomery County Youth Services, I would like to thank you for your generous auction donation to our 16th annual "The Woodlands Celebrity Golf Classic." It's great to know there are caring people supporting local charities in our community!

Montgomery County Youth Services continues to meet the needs of children throughout our county. Every dollar raised offers more opportunities to the families and children in crisis. There are numerous needs that go unmet each year and our goal is to help make this "bridge" a little easier to cross in times of desperation. It truly is a great feeling to help a family in need!

Because of your support, The Woodlands Celebrity Golf Classic and its established charity will continue meeting the needs of each family in crisis.

Again, we thank you for your ongoing support to a very deserving charity. We look forward to your continued dedication!

Sincerely,

Theresa Woodson
Director of Special Events
