Dear Dana and Sean,

On behalf of The Woodlands High School Boys Soccer Booster Club, we wish to thank you both for all of the excellent support over the past season. As you are aware, this past season has been the most successful ever for The Woodlands High School Boys soccer team, finishing as one of the top 8 teams in the state.

We greatly appreciate your efforts in participating in our successful season with the "WPS Night" at the game last fall. It really added to the festive atmosphere of the game, and we hope it helped you attract some business as well.

Maybe next year we can build on that event and do something even better to build interest in WPS and promote Woodlands Soccer!

We wish you much success in the future. Again, our sincere thanks,

 

John and Linda Newbold
