Your donation allows Montgomery County Youth Services to reach our goals throughout the year. We have a very dedicated group of volunteers and staff that continue to give their time and talent to make MCYS stand out in the community!

This event has long been a major source of support for Montgomery County Youth Services and plays a significant role in supporting the mission of our agency:

Montgomery County Youth Services provides crisis counseling, shelter programs and prevention services to strengthen families, keep youth in school and prepare them to be productive citizens.

As always, it is a pleasure to work in a community with so many tremendous friends and family that are there to support each other in time of need.
