Dear Dana Pritchard,

On behalf of The Woodlands Township and Grogan's Point Charitable Giving Foundation I want to take a moment to offer a personal thank for so kindly sponsoring the Spring Fever 5k. This year's proceeds benefited the Montgomery County Women's Center, Montgomery County Youth Services, Montgomery County Humane Society and The Woodlands Township recreation programming. The event itself attracted over 330 participants, 100 volunteers and an estimated 200 spectators.

The event this year included the Friday night dinner with silent auction, the kid's fun run, a five kilometer race and culminated with a great post race awards party. Over the course of the first four years we have raised over \$55,000 for various charities and have had over 1,600 participants.

While I recognize we do this to benefit the community, I recognize that your involvement is two-fold as community support and business development. I hope you were able to realize the value to your business as a result of your support. If we can help you in anyway please let me know.

We look forward to speaking with you more about next year's event in the upcoming months and how your continued support will help us continue to reach our goals.

Sincerely,

Willie Fowlkes
