

**The Woodlands Cars & Coffee for a Cause**  
**Charity CAR Display 2026**  
★Presented by: **The Woodlands Car Club**

The Woodlands Car Club & area auto enthusiasts gather at Market Street the **1st Sunday of the month** from **6-10 a.m.**, to continue efforts to provide a fun and creative way to give back to our community.

The Woodlands Car Club was established in March of 2001, and we are so excited to be celebrating **25** years this year! TWCC was the first car club established in The Woodlands, and I am honored to be one of the founding members, along with my 82-year-old dad! Our morning charity car event was the first of its kind in our area as well, established March of 2009!

The purpose of **this** event is to provide a morning gathering to show off our special vehicles, foster fellowship and make new friendships, while making a positive and lasting impact on our community. One way we do this is by showcasing and sharing information on needful non-profit organizations, highlighting and partnering with small businesses, and giving back monetarily as well. Since 2001, TWCC has raised and donated over \$175,000 to over 100 charities in our area.

Donations from local auto enthusiasts, our participants and sponsorships go towards our contribution to multiple charities throughout the year and to help support organizations who share in our efforts to give back. Some examples are The Woodlands Chamber of Commerce, Montgomery County Association of Business Women, The Woodlands Township, The City of Tomball, SEMA, local schools with auto tech programs, and also to support other local car clubs and auto groups we partner with throughout the year.

All "**display**" vehicles will enter in front of Starbucks. At that time, your donation of ANY amount you wish will be collected, cash or credit card, then you will proceed to park. All new participants will be asked to fill out a waiver.

Although this event includes **TWCC members**, area enthusiasts **are invited on a first-come, first-serve basis**. We are guests on Market Street property, and we appreciate your cooperation and support in making sure this event is safe and successful.
