

The Woodlands Cars & Coffee for a Cause

Charity CAR Display 2026

☆ Presented by: *The Woodlands Car Club*

**We appreciate your cooperation in following the rules and etiquette, to ensure this event continues to be safe and successful.*

***Please respect the following rules/guidelines:**

***Start Time Entry:** Please **DO NOT** move the barricades or enter before 6:00 a.m. If you are approached by security and/or a police officer, you will be asked to move and enter at the appropriate time. If you would like to arrive before 6:00 a.m. you may park at HEB as a holding/parking area until the time of entry.

***Entrance & Check-In:** Please enter in front of Starbucks. If you enter in any other place, you will be asked to go to the main entrance area to sign in and make your donation. Once you make your donation, you will receive a card to put on your dash, so security knows you made your donation.

***Waiver:** All NEW participants arriving will be asked to fill out a new information/waiver form. We also usually do this every couple of years to keep information up to date.

***Parking:** Please park in designated event areas and no holding/saving spaces. Please respect sponsor and charity vehicle parking that is coned off up front by the check-in area. Parking spaces in the Market Street area are limited, & available on a first-come, first-serve basis. ***PLEASE NOTE:** Vehicles parking on the North Side must be parked in a parallel position all throughout that area and if not parked that way, you *may* be asked to re-park. Once parked, you must come to the main entrance to check-in and make your donation **if** you haven't already done so.

****PLEASE NOTE:** The only vehicles we **cannot accommodate** at **THIS** particular event on Market Street property inside the main ring road area surrounding the central park green area, due to safety concerns, are **LIFTED late-model trucks/Jeeps/SUV's w/oversized tires**. You are welcome to park in any other surrounding areas. As much as we DO love this platform of vehicle, we have to adhere to the requests of Market Street to ensure our event is safe for everyone. If, however, you would like to showcase a classic/vintage vehicle that is lifted and that does not exceed 33" tires, arrangements can be made in advance. If you have any questions, please feel free to reach out to me, and I can provide further information regarding.

***Solicitation/Advertising:** Absolutely **NO** unapproved solicitation or advertising. If you are advertising by way of vehicles w/wraps, signs, banners, or distributing any materials, you will be asked to leave the designated display area. Please inquire about sponsorship opportunities, as we are always looking for sponsors for this event.

***Social Media/Filming, Photography, or Postings:** If you are going to post anything regarding this event on social media, please make sure you include the **CORRECT NAME of this event**. This is a **charity car display**, and we work hard to make sure the community and participants understand our purpose, and don't want to cause confusion with *other* similar events.

No Revving ~ No Speeding ~ No Burnouts or Squealing Tires

This is a volunteer opportunity & a hobby for all of us, & collectively we are certainly making a positive difference in the lives of others in a fun & creative way.
